

## Resolution

### Student Affiliate Participation in Consolidation Vote

Whereas, Student Affiliates are the future of NASPA and have a significant stake in the future of NASPA and the broader student affairs profession; and

Whereas, Student Affiliates include in their ranks members who are experienced student affairs professionals dedicated to NASPA and those who have proven their dedication to NASPA - as evidenced by the signatories below who have held or currently hold leadership positions in NASPA - deserve a voice in its future; and

Whereas, Student Affiliates likely represent the most diverse group of NASPA members and are not proportionately represented by Voting Delegates or Professional Affiliates;

Therefore be it resolved:

That Student Affiliates of NASPA be allowed full participation should the question of ACPA/NASPA consolidation be put to a vote by the NASPA membership.

Respectfully submitted by,

Michael Baumhardt, Master's Student, Bowling Green State University  
2010-present Student Leadership Programs KC Rep, Region IV-E  
2009-present, Co-Chair of the Graduate Student Support Network for the Student Leadership Programs KC
