

These gentlemen  
love the  
Internet.

Help us learn  
if next year's  
freshmen love  
the Internet,  
too.

Sorry but it looks all of the surveys  
have already been taken!

This summer and fall, IU researchers will be asking incoming freshmen at colleges and universities across the country about their computer ownership, access, and use. But first, we need your help. We need to know if we'll be asking the right questions and if we're asking good questions.

Help us by completing one of these surveys and returning it to room 419 on the administrative side Eigenmann. In return, we'll pay you \$3 cash.

If you have any questions, please contact Kevin Guidry in the IU Center for Postsecondary Research at [kguidry@indiana.edu](mailto:kguidry@indiana.edu) or (812) 856-0113.
