These gentlemen love the Internet.

Help us learn if next year's freshmen love the Internet, too.

Survey instruments inserted into pocket

This summer and fall, IU researchers will be asking incoming freshmen at colleges and universities across the country about their computer ownership, access, and use. But first, we need your help. We need to know if we'll be asking the right questions and if we're asking good questions.

Help us by completing **one** of these surveys and returning it to room 419 on the administrative side Eigenmann. In return, we'll pay you **$3 cash.**

If you have any questions, please contact Kevin Guidry in the IU Center for Postsecondary Research at kguidry@indiana.edu or (812) 856-0113.
