### Education

Indiana University	Ph.D. in Higher Education Minor in Social Informatics Dissertation: <i>Non-Response Bias on Web-Based Surveys as Influenced by the Digital Divide and Participation Gap</i>	June 2014
University of West Florida	M.Ed. in Educational Leadership Specialization in College Student Personnel	May 2005
University of Tennessee	B.S. in Mathematics Minor in Computer Science	May 2002

### Professional Experience

**Associate Director for Educational Assessment** July 2017 – present

Center for Teaching & Assessment of Learning • University of Delaware • Newark, DE

- Developed, monitored, and implemented university-wide assessment plans of General Education objectives in collaboration with CTAL colleagues and the UD Faculty Senate General Education Committee
- Collected and analyzed general education and program-specific assessment data to provide meaningful recommendations for improvement
- Provided assessment and program evaluation support for grant-funded programs including NSF-funded projects
- Consulted with and supported faculty and graduate students in developing and assessing programs, particularly those in STEM, to improve student learning
- Supervised and mentored one full-time faculty developer and one graduate assistant

**Senior Research Analyst** September 2012 – July 2017

Center for Teaching & Assessment of Learning • University of Delaware • Newark, DE

- Collected and analyzed general education and program-specific assessment data to provide meaningful recommendations for improvement
- Provided assessment and program evaluation support for grant-funded programs including NSF- and Howard Hughes Medical Institute-funded projects
- Consulted with and supported faculty and graduate students in developing and assessing programs to improve student learning

**Volunteer Intern** May 2010 – September 2012

Center for Innovative Teaching and Learning • Indiana University • Bloomington, Indiana

- Advised and provided consultation for faculty regarding classroom assessment and student learning
- Participated in multiple “Decoding the Disciplines” faculty interviews helping faculty uncover their discipline’s epistemology and its application to their teaching
- Conducted Scholarship of Teaching and Learning research, including research methodology consulting and research design for IU’s History Learning Project and faculty in the IU School of Informatics and Computing
- Developed, led, and assisted with summer orientation events for new faculty and graduate instructors

**Research Project Associate (Graduate Student Assistantship)** July 2009 – June 2012

Center for Postsecondary Research • Indiana University • Bloomington, Indiana

- Analyzed data and produced reports related to the National Survey of Student Engagement (NSSE), the Faculty Survey of Student Engagement (FSSE), the Beginning College Survey of Student Engagement (BCSSE), and the Law School Survey of Student Engagement (LSSSE)
- Conducted, presented, and published research into student and faculty use of technology, including forging a new partnership with EDUCAUSE to develop technology questions for the updated 2013 NSSE survey instrument
- Contributed to the NSSE and LSSSE Annual Results reports
- Analyzed psychometric properties of NSSE

**Client Services Project Associate (Graduate Student Assistantship)** July 2007 – June 2009

Center for Postsecondary Research • Indiana University • Bloomington, Indiana

- Supported and guided institutions participating in NSSE, FSSE, and BCSSE, including administration and promotion of the surveys and interpretation of results
- Coordinated Client Services Webinars, including identification of topics, creation of materials, and scheduling (2008-2009)
- Monitored national media releases and news stories to create local archive of stories, track trends, and alert Center staff of stories and discussions related to Center projects (2007-2008)

**Information Technology Fellow**

January 2006 - June 2007

Technology Integration Services • Sewanee: The Univ. of the South • Sewanee, Tennessee

- Implemented a new online university-wide calendar and event- and resource-scheduling system (Astra Schedule); gathered and analyzed requirements and business practices, configured software and entered data, developed documentation and marketing, and trained users and administrators
- Planned and conducted group training and one-on-one consulting with Sewanee faculty and staff in the development, maintenance, and improvement of university and faculty websites using the Sitemason content management system and other tools and technologies such as RSS and podcasts
- Planned and implemented a "Revitalization Program" to improve and restructure the Residential Computing Consultant (RCC) program, including significant involvement in recruitment, selection, and training of 23-28 RCCs

**Member, ResNet Applied Research Group**

July 2004 – September 2010

Volunteer-run research group affiliated with the ResNet Symposium

- Conducted, presented, and published original research regarding residential computer networks

**ResNet Coordinator**

June 2002 – August 2005

Department of Housing and Residence Life • Univ. of West Florida • Pensacola, Florida

- Supported and educated over 1500 on-campus residents in the proper technical, legal, and ethical use of the computer network in the residence halls and apartments
- Developed and administered technology training for Housing staff and student ResNet Technicians
- Developed, evaluated, and supported computer systems and processes, including webpages, housing management software, financial systems, and reports using SQL and Crystal Reports
- Coordinated departmental assessment efforts

**Academic Appointments**

**Assistant Professor (Secondary faculty appointment)**

October 2018 – present

School of Education • University of Delaware • Newark, Delaware

**Instructional Experience**

**Instructor, UNIV 601: Pedagogy**

Fall 2018, 2017, 2016, & 2013

University Studies • University of Delaware • Newark, Delaware

- Taught graduate course focusing on contemporary learning principles, active learning techniques, reflection, and the use of the "Decoding the Disciplines" framework to develop lesson plans

**Instructor, EDUC 846 Collection & Analysis of Data for Decision Making**

Fall 2018

School of Education • University of Delaware • Newark, Delaware

- Taught graduate course for Ed.D. focusing on collecting data (primarily through surveys and interviews), analyzing data (primarily through content analysis), and reporting data to inform educational decision making

**Instructor, UNIV 600: Learning**

Spring 2016 & 2014

University Studies • University of Delaware • Newark, Delaware

- Taught graduate course focusing on contemporary learning principles and course design using problem-based learning and backward design principles

**Instructor, EDUC 828: Research in Educational Decision-Making**

Fall 2015

School of Education • University of Delaware • Newark, Delaware

- Taught graduate course for Ed.D. students focusing on locating and evaluating education research

**Co-Instructor, EDUC C750: Learning and Teaching on the College Campus**

Spring 2011 & 2012

School of Education • Indiana University • Bloomington, Indiana

- Collaborated with the Lead Instructional Consultant at IU's Center for Innovative Teaching and Learning to update and teach a 3-credit course with 10 graduate students studying learning theory and practice with a specific focus on backward course design, formative assessment, learning bottlenecks, and disciplinary epistemologies

**Graduate Student Advisor, EDUC U549: Environmental Theory and Assessment in Higher Education** Fall 2009, 2010, & 2011

School of Education • Indiana University • Bloomington, Indiana

- Advised and mentored groups of 3-6 Higher Education and Student Affairs Master's each conducting a semester-long original research project

**Instructor, EDUC U212: Virtually Real: Myths and Realities of Online Identities** Fall 2008 & Spring 2009

School of Education • Indiana University • Bloomington, Indiana

- Independently developed and taught 2-credit undergraduate course of 20 students to recognize, understand, and describe reasons and motivations, particularly those related to self-identity, useful for understanding behavior common in online environments with a focus on social network services

**Co-Instructor, SLS1301: Freshman Year Experience** Aug 2004 - Dec 2004

College of Arts and Sciences • University of West Florida • Pensacola, Florida

- Cooperatively developed and instructed one section of the university's Freshman Year Experience class of 25 undergraduate students
